Proposal by ADSTRA DIGITAL

We are pleased to present this quotation for your kind consideration. At Adstra Digital, we strive to deliver creative, high-quality solutions tailored to your brand's unique needs. This proposal outlines our services and pricing for the planned activities, ensuring value, clarity, and impact.

Custom App Development

Our ERP development services streamline your operations through customized, modular enterprise solutions.

Backend Development: Scalable server-side logic using modern stacks (Node.js/Django), integrated with database architecture.

Module Integration: Seamless connection of finance, HR, inventory, and custom modules with real-time syncing and reporting.

This includes cloud deployment, role-based access control, and long-term support.

We bank with HDFC Bank

Account Holder: Adstra Digital

A/C No: 50200091927202 | **IFSC:** HDFC0001595

Conclusion

We are committed to delivering quality services with full transparency, measurable outcomes, and a focus on long-term success.

Thank you for considering Adstra Digital as your strategic partner.

LUT Registered: hence ZERO taxation for Overseas billing.
